### **Why should I purchase BB\$**

BB \$ allow you to enter competitions online. You might not want to do this and might prefer to just continue to play Free Bridge but due to Coronavirus, more and more people are playing online. There are now so many playing online that from time to time the system is crashing and due to this BBO have stopped all free competitions between the hours of 4pm and 9pm and these hours are likely to be extended going forward BUT paid events are allowed during these times and do not normally have the issues with being closed down. So to play Bridge at 7.15pm you really need to be paying for same.
