Prizes :-

There are no prizes, this event is for everyone to enjoy

Undo's :- Please note that Undo's will be switched on in this competition but the Director will only insist on an undo where the laws of bridge allow same in the real world. ie for a mechanical error in bidding and only before your partner has called. Any other request for an undo will be dependent on your opponents allowing same. Please note that in your settings you can set up your profile where it asks you to confirm all your bids, confirm all your cards or confirm both all your bids and all your cards. This will prevent mis-clicks. While slowing your actions a little bit, it certainly will prevent you mis-clicking bids or cards.
